

Serial No. 09/785,436

REMARKS

These pending claims are presented at the Examiner's request. Upon review of the claims, it was discovered that redundancies and typographical errors existed in claims 38, 49 and 51-53. These typographical errors have been corrected. The scope of the main claim 38 (indicated by the Examiner to be allowable) has not been changed and the scope of the remaining claims has not been narrowed.

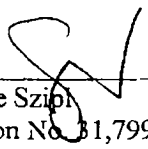

New claims 63-69 have been added which claim a subset of the Markush group of claim 38. These claims are allowable for the same reasons as claim 38, because they all depend either indirectly or directly on claim 38.

Prompt notice of allowance is earnestly solicited.

Questions are welcomed by the below signed attorney for the Applicants.

Respectfully submitted,
